AISOD AI Hackathon Series: Kickoff Event - Website Development

Join us for the **AISOD AI Hackathon Series**, a thrilling opportunity to showcase your skills, solve real-world problems, and pave the way for AI innovation in Namibia! Our first event focuses on **website development**, where you'll build a solution for a business, organization, or AISOD itself.

Event Details

- **Date**: July 26, 2025

- **Time**: 2:00 PM - 4:00 PM (NAMT) *[Pending confirmation]*

- **Format**: Online

- **Theme**: Create a website addressing a real-world problem or enhancing AISOD's mission.

- **Duration**: *[Pending confirmation - 2 hours or longer?]*

Prizes

- **Winner**: N$1,000

- **All Participants**: Certificate of Participation

Why Participate?

This hackathon is your chance to:

- Switch to AI and explore cutting-edge technology.

- Develop practical solutions with real-world impact.

- Join a talent pool for AISOD and its stakeholders to build AI-driven websites, apps, and agents.
